

LEWISTOWN MONTANA

Located in the geographical center of the state, Lewistown sits in a very scenic setting. The Judith Mountains are located northeast of town and the Big Snowy Mountains are located just 20 miles south. Lewistown is a friendly, quaint town that offers a diverse small town atmosphere without being a tourist trap. You will not find any Walmart or other "Big Box" stores here! However, the town still possesses plenty of shopping opportunities as well as an array of outdoor activities for any outdoor enthusiast.

Come visit!

You'll be glad you did.
